Sub: Application for Allotment of Government Quarter.

Through Proper Channel: -Executive Engineer, Metropolitan Drainage Mechanical Division

Respected Sir,

With due respect, my SIULI MONDAL, Junior Engineer under MDMD (Employment Id: - 2025001325), humbly request your kind consideration me for the allotment of a government quarter.

My residence (station at Badkulla) is located approximately 200 km (up and down) from my office, which makes daily commuting extremely difficult. Additionally, my mother is an elderly person and is presently under continuous medical treatment, requiring regular supervision and support at home.

Due to these circumstances, I am compelled to stay in a rented house in Kolkata, where the rent is considerably high and difficult for me to manage. Moreover, my husband is currently engaged in a temporary job, which further adds to our financial limitations.

Considering these genuine difficulties, I earnestly request you to kindly recommend for the allotment of a government quarter at the earliest. This will greatly help me to perform my duties more efficiently without mental stress.

I shall remain grateful for your kind support and favorable action.

Yours faithfully,

Siuli Mondal
